This Week's Lenten Reflection

The primary place of encounter with God for most adults, and children, is family life. For Christians, the family is the first experience of Church; "It is within the family, the domestic church, that we first live our Christianity that we identify what Christian life consists in, that we learn beliefs and values, and grow in prayer"

Pope Francis advice to families

Give a kind look.

Never underestimate the value of a gaze of love.

**"Anyone who is "In Christ" is a new creation.
It is all God's work"**

(5 Cor: V17)
