SUNDAY 14th JUNE 2020

[VIA WEBCAM]

THE MOST HOLY BODY AND BLOOD OF CHRIST

RE-OPENING OF CHURCH: Plans are in place to make our Church as safe a place as possible to come to Mass. We already have hand sanitisers at the entrances and exits of the Church. Other materials and the signage that we require are on order and we hope to receive in time to lay out the Church the week beginning Sunday 21st. We are planning to be ready for public Masses on the 29th, at the usual times of 7.30 and 10.

PARISH WEBCAM: Our Webcam is now fully set up and it is now possible to have a Church service recorded. Should a family wish to have a baptism, funeral or wedding recorded, data protection requires that they request the Ceremony be recorded. The request should be made to the secretary at the parish office. There is a charge of €100 for this service.

TAX REBATE SCHEME We are very grateful to the many parishioners who have already completed and returned a Tax Rebate Form (CHY). This enables us to reclaim from the Revenue a tax rebate on your contributions over €250. Letters to acknowledge and thank you for all your contributions for 2019 are being prepared for posting. Tax Rebate Authorisation must be renewed every three years. Should a Tax Rebate Form be attached to your letter, we would be grateful if you fill it out and return so that the Parish can claim the tax rebate. May I invite you, should you be making your will, think of making a bequest to your parish.
