Envelopes for First and Second Collections

Dear Parishioner,

There are two collections at Mass each Sunday. The First is for the Support of the Priests who serve you in your parish and the second is for Share, the Diocesan Fund for development, the provision of central pastoral and administrative services and financial support to parishes when required.

If you contribute to these collections by putting your donation directly into the collection bag your contributions cannot be recorded or acknowledged and so do not qualify for a tax rebate that would add value to your contribution to the benefit of the parish at no cost to the donor. For example, a donation of €5 to these collections can yield a tax rebate of €2.40 towards the running costs of the parish which were €248,000 last year. The Tax Rebate received on all recorded contributions last year was €92,000.

If you wish to avail of envelopes for the First and Second Collections at Mass, please complete the form below and hand into the Sacristy or the Parish Office. Each box will have envelopes for the year and each envelope will have a date and a special number to record your contribution. Your contribution in the envelopes can then be put into the collection bag at Mass in the usual way.

Those who do not wish to use an envelope can, of course, continue to contribute in the usual way.

**I wish to avail of the envelope system for my contributions to the
First and Second Collections at Mass**
