

Donnybrook Parish, Church of the Sacred Heart Livestreaming and recording notice.

The cameras installed inside this church facilitate livestreaming of masses and ceremonies from this church.

Livestreaming allows homebound people, people in hospitals and in nursing homes or those who live abroad to watch live masses, ceremonies and other celebrations or services and, thereby facilitates parishioners to stay connected with this parish and with their families and friends through these services.

Church Services TV (CSTV) provides the facilities for livestreaming and recording of services requested by the parish administrators.

All livestreaming is recorded. No images are stored if a recording has not been requested.

If services are recorded, the footage will be held securely for 30 days or otherwise as requested by the parish administrator. All recordings are stored on a secure server within the European Economic Area (EEA).

Notices of recordings due to take place can be viewed daily here:

<https://www.churchservices.tv/donnybrook> (recordings are displayed in red in the schedule)

or please contact the parish for more details.

Livestreaming and recordings can be watched from <https://www.churchservices.tv/donnybrook>

or from <https://www.donnybrookparish.ie/webcam>

Public recordings can be downloaded here from <https://www.churchservices.tv/donnybrook> or from <https://www.donnybrookparish.ie/webcam>

For further enquires related to the service provided by CSTV please contact them here:
